

Anceline

Children's book network is really a great opportunity to the children. First i want to say Thank You for the Saturday stories. The first day I Was very excited, because we were going to met other people..

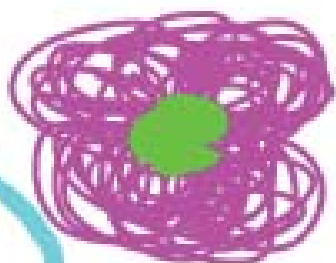

Most exciting for me was when we worked on the iPads. Lesley told us many things about writing stories. I would love to come to children's book network!

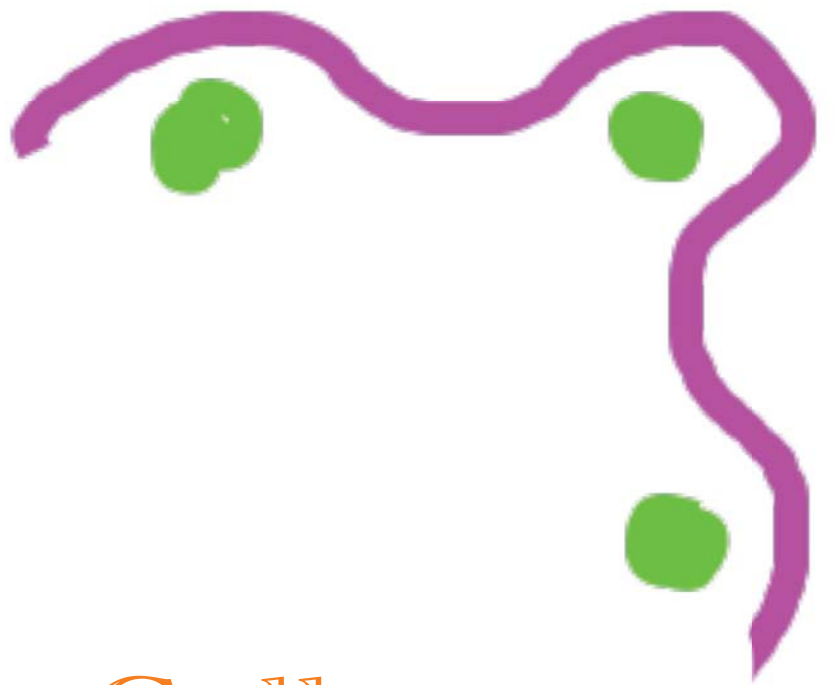

WHEN I HEARD THAT WE WERE GOING TO WORK ON THE IPADS I WAS SO EXCITING. I COULD NOT WAIT TO GO TO PHUMLA WITH THE IPADS BECAUSE I DON'T EVEN HAVE MY OWN ONE! THIS YEAR IS VERY COOL, NOT COOL AWESOME!
