Annual Financial Statements for the year ended 28 February 2022

Trustees' Responsibilities and Approval

The trustees are required by the Nonprofit Organisation Act of South Africa to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements satisfy the financial reporting standards with regards to form and content and present fairly the statement of financial position, results of operations and business of the nonprofit organisation, and explain the transactions and financial position of the business of the nonprofit organisation at the end of the financial year. The annual financial statements are based upon appropriate accounting policies consistently applied throughout the nonprofit organisation and supported by reasonable and prudent judgements and estimates.

The trustees acknowledge that they are ultimately responsible for the system of internal financial control established by the nonprofit organisation and place considerable importance on maintaining a strong control environment. To enable the trustees to meet these responsibilities, the trustees set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the nonprofit organisation and all employees are required to maintain the highest ethical standards in ensuring the nonprofit organisation's business is conducted in a manner that in all reasonable circumstances is above reproach.

The focus of risk management in the nonprofit organisation is on identifying, assessing, managing and monitoring all known forms of risk across the nonprofit organisation. While operating risk cannot be fully eliminated, the nonprofit organisation endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The trustees are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss. The going-concern basis has been adopted in preparing the financial statements. Based on forecasts and available cash resources the trustees have no reason to believe that the nonprofit organisation will not be a going concern in the foreseeable future. The financial statements support the viability of the nonprofit organisation.

The annual financial statements have been audited by the independent auditing firm, Pragma Konsult, who have been given unrestricted access to all financial records and related data, including minutes of all meetings of the trustee, the trustees and committees of the trustees. The trustees believe that all representations made to the independent auditor during the audit were valid and appropriate. The external auditor's unqualified audit report is presented on pages 4 to 5.

The annual financial statements set out on pages 7 to 13, and the supplementary information set out on page 14 which have been prepared on the going concern basis, were approved by the trustees and were signed on _____ on their behalf by:

Anthony Gregorowski

Maurine Lesley Beake

Independent Auditor's Report

To the Trustee of The Childrens Book Network Trust

Opinion

We have audited the financial statements of The Childrens Book Network Trust set out on pages 7 to 13, which comprise the statement of financial position as at 28 February 2022, and the statement of comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Childrens Book Network Trust as at 28 February 2022, and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Nonprofit Organisation Act of South Africa.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the nonprofit organisation in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The trustees are responsible for the other information. The other information comprises the information included in the document titled "The Childrens Book Network Trust Annual Financial Statements for the year ended 28 February 2022", which includes the Trustees' Report, and the statement of Trustees' Responsibilities and Approval as required by the Nonprofit Organisation Act of South Africa, which we obtained prior to the date of this report, and the supplementary information set out on page 14. The other information does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Trustees for the Financial Statements

The trustees are responsible for the preparation and fair presentation of the financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Nonprofit Organisation Act of South Africa, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the nonprofit organisation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the nonprofit organisation or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the nonprofit organisation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the nonprofit organisation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the nonprofit organisation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Trustees' Report

The trustees present their report for the year ended 28 February 2022.

1. Review of activities

Main business and operations

The operating results and statement of financial position of the nonprofit organisation are fully set out in the attached financial statements and do not in our opinion require any further comment.

2. Events after reporting date

The trustees are not aware of any matter or circumstance arising since the end of the financial year to the date of this report that could have a material effect on the financial position of the nonprofit organisation.

3. Trustees

The trustees of the nonprofit organisation during the year and up to the date of this report are as follows:

Anthony Gregorowski

Maurine Lesley Beake

Hildegard Witbooi

Dave Mohr

4. Independent Auditors

Pragma Konsult were the independent auditors for the year under review.

Accounting Policies

1. Basis of preparation and summary of significant accounting policies

The financial statements of The Childrens Book Network Trust have been prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the Nonprofit Organisation Act of South Africa. The financial statements have been prepared under the historical cost convention, as modified by the revaluation of investment property, certain property, plant and equipment, biological assets and derivative financial instruments at fair value. They are presented in South African Rand.

The principal accounting policies applied in the preparation of these annual financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.1 Property, plant and equipment

Property, plant and equipment is stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the trustees.

The nonprofit organisation adds to the carrying amount of an item of property, plant and equipment the cost of replacing parts of such an item when that cost is incurred if the replacement part is expected to provide incremental future benefits to the nonprofit organisation. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to surplus or deficit during the period in which they are incurred.

Land is not depreciated. Depreciation on other assets is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method. The estimated useful lives range as follows:

Asset class	Useful life / depreciation rate
Computer equipment	Straight line - 3 years

1.2 Revenue

Revenue is measured at the fair value of the consideration received or receivable. Revenue is shown net of value-added tax, returns, rebates and discounts.

Interest income is recognised using the effective interest method.

1.3 Borrowing costs

All borrowing costs are recognised in surplus or deficit in the period in which they are incurred.
